

Penserra Diversity Equity and Inclusion Committee Mission Statement

Diversity and inclusion are core values for Penserra, and it is critical that we incorporate these values into all aspects of our work including advocacy, communications, workplace environment, vendor selection, hiring, promotion and retention. We appreciate and value ideas that come from a diverse work environment and want to bring diversity of thought, experience, and expertise to everything we do. We believe that an inclusive work environment provides an atmosphere that allows all individuals to attain their greatest potential and achieve the greatest benefits for clients.

To carry out our core values, the Diversity Equity, and Inclusion Committee (“The Committee”) will work to foster a shared culture at Penserra that promotes the goals of accepting, respecting and valuing differences that include attributes such as age, race, gender, ethnicity, religion, sexual orientation, gender expression, sexual identity, ability, language, family circumstances and cultural backgrounds.

The Committee’s shared goals are:

1. Foster an environment that enables staff to feel empowered, valued, respected, and safe.
2. Cultivate a diverse and inclusive staff.
3. Strengthen and enhance Penserra’s commitment to advancing the cause of diversity, fairness and racial justice by partnerships, sponsorships, internships, and mentorships that focus on fairness and equality.

To achieve these goals, the Committee will:

1. Promote ideas and events to further the spirit of diversity and inclusion.
2. Look to engage all staff in conversations and trainings about diversity and inclusion.
3. Develop policies and practices to recruit, support, promote, and retain staff with diverse experiences and attributes.
4. Critically explore ways Penserra can incorporate racial justice and diversity in our community engagement and outreach efforts and in our substantive work.

As the Committee develops, there will be subcommittees, and ad hoc committees as needed, to discuss and propose ideas on these topics for the Committee and Penserra management to consider. The Committee will continuously evolve and be open to new ideas and exchanges in the spirit of ensuring that all Penserra staff knows that their differences and similarities alike are celebrated and appreciated.
